

Corporate Partnership Program

Changing Lives, Growing Talent

Working Together for a Strong Workforce

Partnering with Take Stock in Children of Manatee, will cultivate a capable workforce and diverse community. Your partnership will give deserving, at-risk children the education and training they need to thrive academically and professionally. Our mission is to provide all qualified scholars the resources to excel. The need, however, is much too great to take on alone. Together we can bridge this gap in the workforce by giving local students the proper tools to become fully trained Take Stock graduates and well-versed contributors to society. Confidently invest, knowing our program yields the highest education completion rates for all Florida students. Your contribution today, will help develop a skilled workforce and vibrant community.
